

REMARKS

The March 29, 2004 Notice of Allowance allowed claims 1-9, 14, 21, 23, 24 and 28-40. By this Amendment After Allowance, claim 34 is amended to replace "the first storage capacitor and the second storage capacitor electrode" with --the first storage capacitor electrode and the second storage capacitor electrode.--

This Amendment After Allowance is filed pursuant to 37 C.F.R. §1.312 before the payment of the issue fee, making minor textual changes to the claim to clarify that an insulating thin film is interposed between the first storage capacitor electrode and the second storage capacitor electrode.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
